10
11 ANN ARBOR, Michigan - September 4, 2008 - Penrose Press announced today that it will publish
... the ONEXENO™ Puzzle Card Game in mid-October. ONEXENO™, ISBN 1-885225-44-X, is a deck o cards
... inspired by an ancient Mayan designs, combined with modern based on high-tech pattern matching
... technology. The game is slated for release in November 2008 and will each carry an MSRP of
... \$19.50.

12
13 The announcement comes with Penrose Press's unveiling of of the ONEXENO™ website -
... <http://www.onexeno.org/> The website includes the rules for three games - ONEXENO™ Basic,
... ONEXENO™ Solitaire, and ONEXENO™ Canasta. The deck includes 70 unique square cards that are
... the mathematically complete set of all cards of this type.

14
15 ONEXENO™ Basic is an exciting tabletop card game that may be played by 2 to 7 players, or by
... or 3 sets of partners. This is a truly family game that engages players from age 7 to 70.
... Players collect points by forming rows of edge-matching cards.

16
17 ONEXENO™ Solitaire is solo puzzle game played by one player. The object of the game is for th
... player to complete an 8X8 square arrangement of cards in which the edges of all cards match.
... Much like traditional Klondike solitaire, the player proceeds through a stack of cards
... attempting to place them in the current playing field.

18
19 ONEXENO™ Make-20 Canasta is rummy-style game played by two to four players. To play with more
... players, additional decks are required. Players meld points by forming rows of cards. Card
... rows adding up to twenty are called XENOs. Players recieve an additional 10 points for each
... XENO that they make.

20
21 The official rules and order forms for these ONEXENO™ are on the <http://www.onexeno.org/>
... website.
